Correction of: <https://www.researchprotocols.org/2023/1/e46144>

(*JMIR Res Protoc* 2023;12:e50744) doi: [10.2196/50744](https://doi.org/10.2196/50744)

In “Effectiveness of Silver Diamine Fluoride for Early Childhood Caries Among Children Aged 24 to 72 Months: Protocol for a Randomized Controlled Trial” (*JMIR Res Protoc* 2023;12:e46144) the authors noted two errors.

1.) In the originally published manuscript, affiliation 2 appeared as follows:

Department of Public Health Dentistry, Manipal College of Dental Sciences Mangalore, Manipal Academy of Higher Education, Mangalore, India

This has been corrected to:

Department of Public Health Dentistry, Manipal College of Dental Sciences Mangalore, Manipal Academy of Higher Education, Manipal, India

2.) In the originally published manuscript, the postal code for the Corresponding Author address appeared as follows:

Mangalore, 575001

This has been corrected to:

Manipal, 5756104

The correction will appear in the online version of the paper on the JMIR Publications website on July 26, 2023, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 11.07.23; accepted 11.07.23; published 26.07.23.
