Correction of: <http://researchprotocols.org/2024/1/e51084>

(*JMIR Res Protoc* 2024;13:e60392) doi: [10.2196/60392](https://doi.org/10.2196/60392)

In “Development of a Core Outcome Set for Family and Community Nursing: Protocol for a Delphi Study” (*JMIR Res Protoc* 2024;13:e51084) the authors noted two errors.

In the originally published manuscript, an error was noted in author affiliation 2:

*Health Professions Research and Development Unit,
Istituto di Ricerca e cura a carattere scientifico
Policlinico San Donato, San Donato Milanese, Italy*

Which has been corrected to the following:

*Health Professions Research and Development Unit,
IRCCS Policlinico San Donato, San Donato Milanese,
Italy*

The academic degrees for author Ida Vangone were originally published as "BCS, MSc". This has been corrected to "BSc, MSc".

The correction will appear in the online version of the paper on the JMIR Publications website on June 21, 2024, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 09.05.24; accepted 14.05.24; published 21.06.24.
